FEBRUARY 3RD

Community Center

7:00 PM

DUES ARE DUE

BY March 3rd

Please send to

Bob Newman

3935 White Pine Dr.

Carson City, NV. 89704

PRESIDENT'S MESSAGE

Here we are well into 2015- already! I'm not sure how time manages to fly like it does.

I'd like to thank the Board of 2014, especially those who didn't return this year, Bob Kinney and Judy Johnson, of their service to the club. And I want to welcome the new Board, Judy Davis and Cindy Craid! We are looking forward to working with you and to having new input.

I also want to welcome Tony Yarbrough back as the Legislative Liaison! Tony provides such great insight and puts so much time and effort into this position. You are truly appreciated Tony!

Things are progressing for the fall shows thanks to help from Rick Berger. The MB-F contract is in, the

KC applications are submitted. Hopefully we'll have all the judges lined up by the February meeting. Thanks for your help Rick!

As some of you know, on New Year's Day my apartment was destroyed by a water leak in the sprinkler system. While my home has been torn to pieces I have spent more time watching TV and less time on the computer as my computer is nowhere near where I can reach it. A few nights ago I was watching a program on PBS called "Dogs That Changed The World-Dogs by Design" that chronicles today's over 400 dog breeds and how they all evolved from the wolf. I've probably seen it before, a long time ago. But it was interesting! Nothing new or startling,

but interesting. They said you can view the program in its entirety at PBS.org- it was a Nova program. If you've got an hour to watch it, take a look! I haven't gone and looked it up yet but I'm sure it not tough to find.

We will be calling a Board meeting soon to adjust our sails for this year. It would have already happened if my apartment hadn't been destroyed over three weeks ago. It will be a minimum of one more week before I'm back together, so I doubt we'll have a Board meeting prior to the next general meeting on February 3rd. We'll let you know once it's set.

Looking forward to a prosperous 2015

Candy

CLUB MINUTES OF JANUARY 6, 2015

The meeting was called to order by President Candy Roper at 7:03 p.m.. A quorum was present.

Motion Judy Davis, second by Carolyn Goepner, that the minutes of the November 4, 2014 meeting be approved as read. Motion carried.

LOCAL INFORMATION

This year the Theriogenology Foundation will be hosting along with the UC Davis Theriogenology Club. There will be new and exciting talks as well as a new name: Canine Breeder Excellence Seminar. It will be held at UC Davis, School of Veterinary Medicine on Sunday March 29th, 2015. Attached you will find our flyer with more information and we encourage you to register and to invite your friends! On site space is limited, so sign up soon. We will also be offering webinar registration again this year.

If you have any questions about the event itself, please feel free to contact Amy Buck at am-buck@ucdavis.edu or if you are ready to register you can do so by clicking here.
